POC for Questions: marylandcybersecuritycouncil@umuc.edu

1. Summary of wins for Maryland's business cyber sector in the 2018 legislative session. Implications for subcommittee.
2. Updates from committee members that are related to last meeting action items. (See October 2017 meeting summary below.)
3. Bills that the committee would like to bullet out for the next legislative session. (There is some interest among members in doing this. The thought is to have these ideas in draft legislative form by the fall, so that they could be reviewed by the Council as a whole at its fall meeting.)
4. Update on Council reports due this year
5. Other business
6. Adjourn
